

Don't Leave Money on the Table

Since the Member Rebate Program (MRP) has given participating members a total of \$40,986.00. With 34 members participating in the program, that is an average of \$1,250.47 going to each builder and remodeler member! Three Hattiesburg area builders received a total of \$2,020 from the MRP during 2015.

The MRP lets builders and remodelers receive cash rebates for using certain manufacturers' products in the building and remodeling of homes. There are currently 51 participating manufacturers covering 35+ different product categories.

You must first register for the program and then you are eligible to claim your rebates on a quarterly basis. Visit www.HBArebates.com to get started. The claiming process is just as simple as registering. An address is ready to be submitted once it is completed. MRP will ask for your company name, the completed address, and the completion date(s). You then provide all of the information required for each manufacturer used.

The information required by most manufacturers typically include:

- Quantity used.*
- Subcontractor or supplier name*
- Model number*
- No receipts are needed!*

HVAC	Dealer/Subcontractor: _____		
 	<i>List Quantity Used (if more than 1 accessory please note):</i>		
	Complete HVAC System Qty: _____	Thermostat Qty: _____	Air Cleaner Qty: _____
	Heat Only System Qty: _____	Humidifier Qty: _____	Zoning System Qty: _____
	Heat or Energy Recovery Ventilator Qty: _____		

Once a project is completed and the form is filled out, all you have to do is send it in. MRP will process your quarterly information, send it to the manufacturers, and issue you one lump-sum check for all of your rebates! Nationwide, over 70% of the builders and remodelers who participated last year have received in rebates more than they paid in annual dues to their HBA.
